COPYRIGHT AGREEMENT

The agreement below is intended to protect our print shop in the event a customer asks us to reproduce copyrighted material. By signing this form, you are accepting responsibility for the material you are asking us to reproduce for you.

PHOTOGRAPHS / LOGOS / DESIGNS / ETC.

There are legal concerns involved in using photographs and other tangible works. The reproduction of cards, designs, photographs, logos or other tangible works require the written consent of the author (i.e. artist, photographer, writer, composer). Ownership or possession of a copy does not give the possessor the right to reproduce the work without written consent of the author.

Photographers and authors automatically obtain copyright on all of their work and retain those rights unless transferred in writing.

A customer must have written permission from the photographer/owner for the use of a photo or logo.

Customer agrees to indemnify, save and hold harmless Cornerstone Copy Center (hereby called "Contractor") and Contractor's directors, officers, agents, employees, and each of them from and against all claims, costs and expenses (including legal fees and expenses), demands, actions and liability with respect to any copyright infringement or claim thereof based upon Contractor's copying of the material as requested by Customer.
